# Police News

With the Halloween Parade set for October 17th at 6:30 pm, residents are reminded to please be on the lookout for Parade Route signs. They will be posted and **ANY VEHICLE PARKED ON THE PARADE ROUTE AFTER THE ESTABLISHED 'NO PARKING TIME' WILL BE TOWED AT OWNER'S EXPENSE.**

(Parade Rain date: October 24)

Trick or Treat will be on Thursday, October 27th from 6 - 8 pm. Rain Date is Saturday, October 31st.

Residents are reminded to please keep your vehicles and outbuildings locked at all times. Historically, there have been an increase in thefts, mostly from unlocked sheds, garages, and vehicles during the fall and winter months. As the weather cools, outdoor activity decreases, less people have their windows open and those prowling at night are less likely to be heard or detected. If you see anything suspicious or something looks out of the norm, please contact the Police Department. Let's be a community of neighbors helping neighbors and together, we can keep our streets and community safe.

## Borough Ordinance Reminders:

*Curfew* is 10 pm for minors under 14 years old and 11 pm for minors between 14 and 18 years old.

*Outdoor burning* requires a \$25 annual burning permit, permitted between the hours of 7 am-10 pm except on Sundays when burning is permitted from noon to 7 pm. Burning shall not occur within 10 feet of any building/structure/property line/public sidewalk, and must be attended at all times. This includes patio fireplaces, chimineas and fire pits.

*Noise Ordinance* is in effect between the hours of 10 pm and 7 am, Monday through Saturday, and any time on Sundays and legal holidays. For a full list of all Borough Ordinances, including definitions, prohibited acts, exemptions, violations and penalties, please visit [www.marysvilleboro.com](http://www.marysvilleboro.com).

## Other News:

As fall quickly approaches, the likelihood of bear-human conflicts dramatically increases. Bears will be searching for easy, high calorie food sources before entering torpor. Bears will consume up to 20,000 calories a day. Please do not provide them with an easy source of food. If you have bird feeders, please bring them in overnight. If you encounter a bear, make noise by clapping your hands and yelling, do not run. Bears exist in Marysville, and we must learn to live with them. Please report any bear conflicts to the Pennsylvania Game Commission 814-643-1831, or Marysville Police Department 717-957-2616.

Street sweeping will continue through the fall months. Falling leaves may limit the areas swept or the time the sweeper is run, but the designated street sweeping days will be enforced. Mark your calendar for the 3rd Tuesday, Wednesday, or Thursday, depending on where you live. Street sweeping begins at 8 am. Questions, contact the Borough Office or visit the Borough website or Facebook page.

Marysville Police Department has a Medication Drop Box located inside the Borough Office. Any unwanted or unused medication in pill or tablet form can be dropped in the drop box. No liquid medications can be accepted. No information is required from persons dropping off medication. The Borough office is open Monday-Friday from 7 am-3 pm. Two other drop boxes are also available for residents: Perry County Courthouse in New Bloomfield and Pennsylvania State Police Barracks in Newport.

Marysville PD is still offering a Special Needs Resident Registry Program for our residents. The program is for residents with any special needs to include, but not limited to, Dementia, Alzheimer's, Autism, physical limitations, and electricity dependent (example: oxygen machine). Residents with such needs can complete a Special Needs Resident Data Registration Form. The form includes a current photo, name, address, physical attributes, medical summary, emergency contacts, and other information important to aid officers and other first responders during an emergency situation. Emergency situations could include medical emergency, missing person/wandering, natural disaster, power outage or other critical incident. For more information on this program, or to enroll yourself or loved one, please contact Marysville Borough Police or the Marysville Borough Office.

**United Women in Faith**

United Methodist Women is a national organization that has served the needs of women, children and youth for over 150 years! This year, we are turning up the volume with a brand-new name, United Women in Faith. You do not need to be a member of Wesley church, or any church, to join us in our missions' efforts. All women at least 18 years old are welcome to come check us out.

There is no fee, no commitment. For more information on United Women in Faith go to <https://uwfaith.org>; for more information on Wesley's UWF unit, call Amy at 717-254-0368.

Upcoming events:

September 8 – We will hold a local unit meeting at Wesley at 6:30 to discuss our next fundraiser, plan for support of other outreach ministries such as Mom2Mom, and vote on our end of year giving disbursements. Refreshments will be provided.

October 1 – Harrisburg District Annual Day from 10:00am – 2:00pm at Emmanuel UMC (22 Salt Road, Enola). Registration opens at 9:30 am. The theme is “Att-tea-tude of Gra-tea-tude”. Cost is \$12.00 which includes a light breakfast, tea party luncheon, speakers, and workshops. The main speaker this day will be certified lay leader Cindy Thomas offering a message on gratitude. Attendees are encouraged to donate a teacup and saucer to Women at Risk, Int'l (WAR). WAR's many talented artisans will repurpose these donations into beautiful candles to be sold in support of its safe houses where exploited women and children are sheltered and assisted to rebuild their lives. There will also be a talk and demonstration on tea and a tea sipping peace ceremony hosted by Rosemary House. All women 18+ are welcome. Join us! Call Amy at 717-254-0368 to register. Registration deadline is September 15.

Mom2Mom is a time of fellowship and community for mothers of children of any age, but all women are invited to join us for food, fun, and discussions on relevant topics facing today's family. We are always looking for speakers to share on a variety of topics. Sometimes we even throw in a craft or service project.

Every meeting includes a free meal and childcare. All childcare volunteers have criminal background checks and child abuse clearances. This is a free ministry to the women of our community. Pre-registration to join us is desired, but not required, for our meal planning purposes.

If you are a mom who would like to join us, or if you want to mentor mothers or arrange a time to speak at one of our meetings, please call or email the church office at [wesleyum.office@gmail.com](mailto:wesleyum.office@gmail.com) or 717-957-4481.

We meet the first Wednesday of every month 6:30 – 8:00. Our upcoming meetings are September 7, October 5 and November 2. We hope to see you there!

This Fall, Wesley will start a Children's Fellowship group for kids in grades K-6. We will complete service projects, play games, eat some good snacks, and explore God's world the 2nd Sunday of each month from 1:00-3:00 pm. Our first gathering will be Sunday, September 11. All kids in grades K-6 are welcome! Parents are welcome to stay or drop-off. Call Amy at 717-254-0368 with questions. Pre-registration is appreciated but not required.

Men's Breakfast is offered at Wesley Church on the last Tuesday of each month at 9:00 am to the men of our community. It is a delicious and hearty family style breakfast and time for fellowship. There is no cost, but a free will donation is accepted and appreciated.

## Kings Highway History

Marysville-Rye Historical Society (research by Linda Fahnstock)

One of the earliest public highways in Central Pennsylvania was approved almost 250 years ago to run through Fishing Creek Valley, from Hunter's Ferry on the Susquehanna River west to Smileytown, now called Shermansdale. It was named Kings Highway when it was approved by the colony of Pennsylvania's Cumberland County Court in March of 1773. Sections of Kings Highway still exist today, roughly paralleling the Valley Road / Route 850.

Based on the petition, survey results and early maps, Kings Highway's original route seems to have started out south of current Valley Road in the area of current Mill Alley, ran through current Lions Club Park where the creek has eroded the hillside, then along surviving stretch of Kings Highway (now paved). But instead of sharply turning south it originally kept going west, eventually crossing current Valley Road near Flowers Lane; then roughly paralleling just north of current Valley Road; then turning south and crossing current Valley Road again just before Pine Hill Road and continuing on a diagonal along current Dutch Cemetery Road; then turning northwest to rejoin current Valley Road again just before Reigle Road but keeping straight ahead at Richwine Road instead of curving to left along with current Valley Road; then turning southwest to cross over current Route 34 and end at current State Highway, which back then was The Great Road from Carlisle to Sunbury.

The signers of the petition to the court needed an easier route to get their farm products and lumber to bustling markets in Philadelphia and other ports along the eastern seaboard. Until Kings Highway was built, they were forced to go over Blue Mountain at Sterretts Gap (then called Croghans Gap). It was a long, rough trek 930 feet up and over the mountain to connect with eastward routes to Philadelphia. The original petition reads: "The Humble Petition ... showeth that whereas a publick Highway from Hunters Ferry on the Susquehanna to Intersect the Great Road ... near the Widow Smiley's should be of the Greatest Utility ... by opening a Shorter Communication with the Philadelphia and other markets and also to avoid Crossing the Mountain ..."

The signers of the 1773 Petition, in alphabetical order, are: William Adams, Thomas Henderson, James Lamien, Samuel Milligan, Japheth Morton, Thomas Patton, Thomas Shortess, Elizabeth Smiley, George Smiley, John Smiley, Charles Stewart (nephew or cousin of Colonel Samuel Hunter), John Stuart, Francis West and Thomas White.

Construction might have started upon approval, but it was most likely completed after the end of the American Revolution. Most road construction was put on hold during the war, which started in 1776 and ended in 1783.

The Map of the State of Pennsylvania by Reading Howell of 1792 shows one of the earliest depictions of the Kings Highway running west between the west bank of the Susquehanna River at present-day Marysville Borough, through Fishing Creek Valley in Rye Township, to present-day Shermansdale in Carroll Township.

The map was drawn 19 years after the major road was approved and surveyed to run in a relatively straight route just over 10 miles from Hunter's sawmill and ferry near the mouth of west Fishing Creek on the west bank of the Susquehanna River across from Fort Hunter on the east bank, slightly southwest to intersect with the "Great Road," a vital north-south commercial transportation route connecting Carlisle and points south with the bustling trade center of Shamokin-Sunbury and points east including important seaports of Philadelphia, New York and Boston.

The Marysville Rye Historical Society published our first annual calendar for the year 2022 and it was well received. There are a few calendars left which can be purchased at a discount at the Marysville Rye Library, Marysville Borough, or Rye Township. We are excited about publishing our calendar for the year 2023, which will be available in the fall 2022. These calendars make great Christmas gifts, birthday gifts, New Year's gifts, college or school student gifts or to keep for memorabilia.
