## Streets and Sewer Committee Meeting Minutes May 12, 2025

Chair: William Gumbinger    Members: Lance Barthel, and Carl Schmon

### New Business

#### Approval of the March 10, 2025 meeting minutes.

Motion by Lance Barthel, seconded by Carl Schmon and approved unanimously. There was no meeting in April.

#### Letter from Deborah and Kenneth Woodward

The committee reviewed the letter and discussed possibly having rules and regulations for street cutting permits. The committee agreed to place this on the council work session for discussion.

#### 2009 Truck

Rob Laman said the truck is not safe to drive and it won't pass inspection (September 2025). The committee agreed to place selling the truck on Municibid on the council agenda.

#### Street Sweeping Schedule

Rob Laman said there is a schedule for street sweeping that we have followed. On Wednesday we start at the north end and now we are supposed to start in the middle of town because we were asked too by the police department. We shouldn't be skipping around. The committee asked Aaron why he wanted them to start in the middle of town and he said its because he has a meeting at 9:00am. The committee agreed to have them start in the middle of town.

#### Cars parking at the intersections.

Rob Laman brought up about cars waiting at the bus stops are parking to close to the intersections. The yellow lines are painted. The committee asked Kim to mention this to Aaron to see if could talk to the residents about parking to close.

#### Any sewer department issues

The electrician the WWTP currently used retired. They are looking for a new electrician. Greg said he would get the name and number of the electrician Duncannon Borough uses.

#### Any maintenance department issues

No other issues.
