Motion by Carl Schmon, seconded by William Gumbinger and approved.

Paving Caroline Drive

The committee agreed to place this on the council agenda work session.

Commercial sewer rates

The committee agreed to place this on the council agenda work session.

Lining project update

The lining project is finished. Pictures were given to the committee members.

Other sewer department issues

William asked what the sewer gas smells and odors were that was shown on the last months agenda. Pete said one of the homeowners in Rockville Estates called the shop and was concerned about the sewer odors. Pete said they sealed two manhole lids and ordered bug blocks to put in there.

Pete said they are working on the NPDES renewal permit, additional lab testing will need to be done. They are waiting for a quote.

Other maintenance department issues

Rob said there are problems with the school bus stops. People are parking their vehicles at intersections to wait for the bus. It makes it difficult to see and get around them. William suggested calling Rohrer Bus and requesting a list of all the bus stops. Kim said this isn't something she can enforce, it needs to be done by the police. The committee asked Kim to refer it to the Police Department.
