Juile Daum- 406 Maple Ave.- concerned that Wesley Church is on a well and being billed \$195.00. Wesley church needs to be placed on a meter. New commercial properties will be an estimated amount for the first year and then reevaluated and their bill will be adjusted based on water consumption.

Jake Daum- 103 Valley Street- doesn't agree he should have to pay Stormwater fees when the other cemeteries don't pay. Grape Street project – feels like the borough is paying engineering fees twice to fix the street when they should have fixed it the first time.
